

CALIFORNIA CHART OF ACCOUNTS

CALIFORNIA FILM & TELEVISION TAX CREDIT PROGRAM 2.0

September 19, 2016

For Productions with CALs issued on or after July 1, 2016

The chart below is intended as a helpful guide. Qualified Expenditures apply to pre-production, production, and post-production – not for development, marketing, publicity, or distribution costs. Please read Budget Tagging and Tracking Tips before budgeting your project.

Qualified expenditures qualify for tax credits. In order for purchases and rentals to qualify, they must be purchased or rented and used in the state. In order for wages to qualify, all services must be performed in the state.

The first column is for independent projects. Visual Effects (VU) indicates expenditures eligible for Bonus Points.

The in zone/out of zone columns are for non-independent projects.

5% UPLIFT TAGGING – Non-Independent Productions only:

- Visual Effects (VU) and Music Scoring & Track Recording (MU) expenditures that qualify for the additional 5% tax credit are indicated in GREEN. VFX (VU) expenditures also qualify for Jobs Ratio Bonus Points.
- “Outside the Zone” (OZ) expenditures include prep, shoot, and strike periods only – as long as they are incurred outside the zone and related to principal photography (PP), 2nd units and/or reshoots during the applicable period (prep/shoot/strike) outside the zone.
 - WAGES: All wage related line items for OZ labor should be tagged (QW and ZW).
 - NON-WAGE EXPENDITURES: All non-wage related line items for OZ expenditures should be tagged (ZE). ZE expenditures are pro-rated by the number of PP days in relation to total PP days.
 - OPTIONAL: Consumables, purchased or leased and used wholly outside the zone, may be tagged (ZC). ZC expenditures will not be prorated; applicants will get 100% of the cost toward tax credits. A list of total consumables can be found in the Guidelines – Appendix A.

Note: For an OZ expenditure to qualify for uplift, it must be purchased or leased and used outside the zone. If purchased or leased outside the zone and brought into the zone, only the OZ day's usage qualifies for the additional 5% tax credit. Rentals from vendors in the zone do not qualify for uplifts if used outside the zone.

See Guidelines with respect to expenditures eligible for 5% uplift.

Most recent changes are highlighted in yellow.
